

Florida Condominium Statistics

# of Units	Age in Years	# Associations	# People
105,404	50+	1,899	231,889
479,435	40 - 50	8,638	1,054,757
327,537	30 - 40	5,902	720,581
141,773	20 - 30	2,554	311,901
428,657	10 - 20	7,724	943,045
46,958	0 - 10	846	103,308
<u>1,529,764</u>		<u>27,563</u>	<u>3,365,481</u>

Actual number of associations

27,588

Note - Number of associations in total is based on filings and registrations with state of Florida. Dividing number of known units by number of known associations indicates an average of 55.5 units per association.

Number of residents in condominium associations is based on average of 2.2 individuals per unit.
